Meat, Dairy and Fiber

January 2006 Newsletter

FEBRUARY MEETING

Our February meeting will be held on Wednesday, the 15th, at the Kenton County Durr Extension Office at 7pm. We will be holding our nominations that night for the upcoming election of officers. You will be contacted at some time between now and the 15th to discuss your involvement or to nominate someone else that you feel would be suited to hold a position. Although we will not have a speaker that night, it is very important that you be there. We will be discussing the direction of the club for 2006. Our response has not been great in regards to new volunteers and we don't want to see this association fall by the wayside. Come out to support your association and tell us how we can serve you better.

ANNUAL MEETING & ELECTIONS

Our annual meeting will take place on Saturday, March 11th at 4:30pm at the Kenton County Durr Extension Office. Our traditional potluck dinner will begin at 5:00. Bring a side dish and we'll provide the meat. Elections and a program presented by Kenton County Ag Agent, Dan Allen, will follow. We hope to be wrapped up by 8:00pm. A reminder will be sent out near the end of February along with the topic Dan will be discussing.

DUE RENEWAL

Remember that dues are due the first of each year and you must be current to run for an office and to vote. You can pay your dues at any meeting or by mail. You will be asked to fill out a membership form each time you renew. This keeps your information current for mailings and website contacts. Dues will again be \$10 for 2006. I will try to get the membership form onto our website so anyone can print it. If you're interested in this method just check www.nkgp.com periodically for its addition.

Forms will be available to you to join KGPA but we will no longer be sending those applications in for members. KGPA dues are \$20. You are NOT required to join KGPA to be a member of our association.
