Year End Banquet and Elections

We had a great time at the annual banquet and those that were absent were definitely missed. We were very fortunate to have Ray Bowman, KGPA President with us that evening. He talked about the upcoming plans he has for the state organization and offered many answers to some of our questions regarding the status of the KGPA. He graciously offered to return anytime to speak on a variety of topics or just to visit with our membership.

We also conducted our annual elections that evening. The results are as follows:

President: Barbara Brown
Vice President: Jane Mallory
Secretary: Greg Brown
Treasurer: Karen Mikel
Director: Denny Mathis

March General Membership Meeting

We will be meeting on Tuesday, March 8th @ 7pm at the Kenton County Durr Extension Office. Dr. Parker, DVM (Warsaw) will be joining us to talk about general herd health and kidding issues. Spring is a busy time for all of us with many opportunities for unfamiliar problems to arise within our herds. Dr. Parker can give us that "heads up" to watch for those problems and give us the information to prevent or correct them. I've heard great things about his presentation and am looking forward to hear him speak. Bring your questions and we hope to see you on the 8th.

Topics and Ideas

I am looking for meeting topics, ideas or possible speakers. We've had several excellent speakers in the past and will be happy to bring them back if there is an interest. If you've heard someone speak somewhere else and would like to have them at one of our meeting or if you have topic you'd like to learn more about, please let us know. We also have several new members that are also new to goats so we're happy to re-visit previous topics. The easy part is setting up the meeting. The hard part is coming up with the ideas.
